**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
CONCORD CROSSING HOMEOWNERS ASSOCIATION, INC.**

THIS DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS is made this 23rd day of May, 2000, by Gillespie Land Development, a Tennessee Limited Liability Company (hereinafter referred to as "Declarant");

Declarant is the owner of the real property described in Exhibit "A" attached hereto and incorporated herein by reference. Declarant intends by this Declaration to impose upon the Properties (as defined herein) mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of residential property within the Properties. Declarant desires to provide a flexible and reasonable procedure for the overall development of the Properties, and to establish a method for the administration, maintenance, preservation, use and enjoyment of such Properties as are now or hereafter subjected to this Declaration;

Declarant hereby declares that all of the property described in Exhibit "A" and any additional property as is hereafter subjected to this Declaration by Supplemental Declaration (as defined herein) shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions which are for the purpose of protecting the value and desirability of and which shall run with the real property subjected to this Declaration and which shall be binding on all parties having any right, title, or interest in the described Properties or any part thereof, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof. This Declaration does not and is not intended to create a condominium within the meaning of the Tennessee Horizontal Property Act, Tenn. Code Ann. 64.2701, et seq.

Declarant, as the owner and developer of the Concord Crossing Subdivision, desires to complete the development of the Concord Crossing Subdivision including the infrastructure thereof and the common amenities attendant thereto.

Declarant has deemed it desirable, for the efficient preservation of the values and amenities in said community, to create an agency to which should be delegated and assigned the powers of maintaining and administering the community properties and facilities and administering and enforcing the covenants and restrictions and collecting and disbursing the assessments and charges hereinafter created.

Declarant has caused or will cause to be incorporated under the laws of the State of Tennessee, as a non-profit corporation, the Concord Crossing Homeowners Association, Inc. for the purpose of exercising the functions aforesaid.

Now, therefore, the Declarant hereby declares that the real property described in Exhibit "A" hereof is and shall be held, transferred, sold, conveyed and occupied subject to the covenants, conditions, restrictions, easements, charges and liens (sometimes referred to herein as the "Covenants, Conditions and Restrictions" or as the "Restrictions") hereinafter set forth which are for the purpose of protecting the value and desirability of, and which shall run with the real property and be binding upon all parties having any right, title, or interest in the described properties or any part thereof, their heirs, successors or assigns, and shall inure to the benefit of each owner thereof.

Section 1. "Area of Common Responsibility" shall mean and refer to the Common Area, together with those areas, if any, which by the terms of this Declaration or by contract become the responsibility of the Association. Section 7. "Common Area" shall mean all real and personal property which the Association now or hereafter owns or otherwise holds for the common use and enjoyment of all Owners. Section 8. "Common Expenses" shall mean and include the actual and estimated expenses incurred by the Association for the general benefit of all Unit Owners, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the By-Laws, and the Articles of Incorporation of the Association.

Article II Property Rights

Every Owner shall have a right and easement of enjoyment in and to the Common Area, subject to this Declaration as it may be amended from time to time and to any restrictions or limitations contained in any deed conveying such property to the Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, tenants and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who

leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

Declarant reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent of any Person, for the purpose of removing certain portions of the Properties then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for Concord Crossing desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for Concord Crossing.

"Notwithstanding anything in this Article II to the contrary, Declarant shall not amend this Declaration without the prior written consent of Declarant's grantor of record title prior to the sale and initial occupancy of ninety (90%) percent of the Properties by an Owner other than Declarant."

Article III Membership and Voting Rights

Section 1. Membership. Every Owner, as defined in Article I, shall be deemed to have a membership in the Association.

No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit owned. In the event the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership may be exercised by a Member or the Member's spouse, subject to the provisions of this Declaration and the By-Laws. The membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated by the Owner in a written instrument provided to the Secretary, subject to the provisions of this Declaration and the By-Laws "or as otherwise provided in Article II."

Section 2. Voting. The Association shall have two (2) classes of membership, Class "A" and Class "B", as follows

(a) Class "A". Class "A" Members shall be all Owners with the exception of the Class "B" Member, if any.

Class "A" Members shall be entitled to one (1) equal vote for each Unit in which they hold the interest required for membership under Section 1 hereof; there shall be only one (1) vote per Unit.

In any situation in which more than one (1) Person holds the interest in a Unit required for membership, the vote for such Unit shall be exercised as those Persons determine among themselves and advise the Secretary of the Association in writing prior

to any meeting. In the absence of such advice, the Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

(b) Class "B". The Class "B" Member shall be the Declarant. The rights of the Class "B" Member, including the right to approve actions taken under this Declaration and the By-Laws, are specified elsewhere in the Declaration and the By-Laws. The Class "B" Member shall be entitled to, in its sole discretion, appoint the members of the Board of Directors during the Class "B" Control Period, subject only to Article III, Section 6, of the By-Laws. For a period of one (1) year after the date of termination of the Class "B" Control Period the Declarant shall have the right to participate in the decision-making process and the right to disapprove all actions of the Board of Directors and any committee as provided in Article III, Section 3, of the By-Laws. The Class "B" Control Period shall terminate, and the Class "B" membership shall terminate and become converted to Class "A" membership, upon the earlier of:

(i) when seventy-five (75%) percent of the Units planned for the property described on Exhibit "A" of the Declaration have certificates of occupancy issued thereon and have been conveyed to Persons other than the Declarant or builders holding title solely for the purpose of development and sale;

(ii) January 1, 2010; or

(iii) when, in its discretion, the Class "B" Member so determines.

Notwithstanding any provisions to the contrary contained in this Declaration or the By-Laws, during the Class "B" Control Period, any action, policy or program of the Association requiring approval by the vote of the Members of the Association shall not be taken or adopted until also approved in writing by the Class "B" Members.

Article IV Maintenance

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided, subject to any insurance then in effect. This maintenance shall include, but need not be limited to, maintenance, repair, and replacement of all landscaping and other flora, structures, and improvements situated upon the Common Areas. Maintenance may also include such portions of any additional property included within the Area of Common Responsibility as may be dictated by this Declaration, or by a contract or agreement for maintenance thereof by the Association.

available, and a Five Hundred Thousand (\$500,000.00) Dollar minimum property damage limit.

Premiums for all insurance shall be Common Expenses of the Association and shall be included in the Base Assessment, as defined in Article I and as more particularly described in Article X, Section 1. The policy may contain a reasonable deductible, and, in the case of casualty insurance, the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost. The deductible shall be paid by the party who would be liable for the loss of repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.

All insurance coverage obtained by the Board of Directors shall be written in the name of the Association as trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth

(a) All policies shall be written with a company licensed to do business in Tennessee which holds a Best's rating of A or better and is assigned a financial size category of XI or larger as established by A. M. Best Company, Inc., if reasonably available, or, if not available, the most nearly equivalent rating.

(b) All policies shall be for the benefit of the Association and its Members and their Mortgagees, as their interests may appear.

(c) Exclusive authority to adjust losses under policies obtained by the Association on the Properties shall be vested in the Association's Board of Directors provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.

(e) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Williamson County, Tennessee, area.

(f) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

Except as otherwise specifically provided herein, all costs associated with the maintenance, repair and replacement of Common Areas shall be a Common Expense to be allocated among all Units as part of the Base Assessment.

The Association may maintain property which it does not own, including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

Section 2. Owner's Responsibility. Each Owner shall maintain his or her Unit and all structures, exterior surfaces of the Unit, parking areas, fences and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association. If any Owner fails properly to perform his or her maintenance responsibility, the Association may perform it and assess all costs incurred by the Association against the Unit and the Owner thereof, in accordance with Article X, Section 4 of this Declaration; provided, however, except when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry.

Article V Insurance and Casualty Losses

Section 1. Insurance. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if reasonably available, for all insurable improvements on the Common Area. If blanket all-risk coverage is not reasonably available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

In addition to casualty insurance on the Common Area, the Association may, as a Common Expense, but shall not under any circumstances be obligated to, obtain and continue in effect adequate blanket all-risk casualty insurance, if reasonably available, and if not reasonably available, fire and extended coverage, in such form as the Board of Directors deems appropriate for one hundred (100%) percent of the replacement cost of all structures located on Units.

The Board shall also obtain a public liability policy covering the Common Area,, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000.00) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000.00) Dollar limit per occurrence, if reasonably

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners, and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;

(iii) a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewal on account of the actions of any one or more individual Owners;

(iv) a statement that no policy may be cancelled, invalidated, suspended, or subject to nonrenewal on account of the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or Mortgagee;

(v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

(vi) that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent required by law, directors' and officers' liability coverage, if reasonably available, a fidelity bond or bonds on directors, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the directors' best business judgment but, if reasonably available, may not be less than three (3) months' assessments on all Units, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

Section 2. Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket all-risk casualty insurance on the Unit(s) and structures constructed thereon meeting the same requirements as set forth in Section 1 of this Article V for insurance on the Common Area, unless the Association carries such insurance (which they are not obligated to do hereunder). Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of structures comprising his Unit, the Owner shall

proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article XI of this Declaration. The Owner shall pay any costs of repair or reconstruction which is not covered by insurance proceeds. In the event that the structure is totally destroyed the Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Unit of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Unit in a neat and attractive condition consistent with the Community-Wide Standard.

Section 3. Damage and Destruction.

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with filing and adjusting all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Properties. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Properties to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless the Members representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Area shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Area shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Properties shall be restored to their natural state and maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard.

Section 4. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in

payment of such repairs or reconstruction as herein provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Area shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s) as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

Section 5. Repair and Reconstruction. If the damage or destruction to the Common Area is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against all Owners on the same basis as provided for Base Assessments. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

Article VI No Partition

Except as is permitted in the Declaration or amendments thereto, there shall be no physical partition of the Common Area or any part thereof, nor shall any Person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Article VII Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members representing at least two-thirds (2/3) of the total Association vote and the Declarant, as long as the Declarant owns any property described on Exhibit "A") by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant, so long as the Declarant owns any property described in Exhibit "A" of seventy-five (75%)

percent of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article V hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Article VIII Annexation of Additional Property

Section 1. Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option, from time to time at any time until all property described on Exhibit "A" has been subjected to this Declaration or January 1, 2010, whichever is earlier, subject to the provisions of this Declaration and the jurisdiction of the Association, all or any portion of the real property described in Exhibit "A", attached hereto and by reference made a part hereof. Such annexation shall be accomplished by filing in the public records of Williamson County, Tennessee, an amendment to this Declaration annexing such property. Such Supplemental Declaration shall not require the consent of Members. Any such annexation shall be effective upon the filing for record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other Person the said right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of the real property described in Exhibit "A" and that such transfer is memorialized in a written, recorded instrument executed by the Declarant.

Section 2. Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, the Association may annex real property other than that described on Exhibit "A", and following the expiration of the right in Section 1, any property described on Exhibit "A", to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of Members representing a majority of the Class "A" votes of the Association (other than those held by Declarant) present at a meeting duly called for such purpose and of the Declarant, so long as Declarant owns property subject to this Declaration or which may become subject hereto in accordance with Section 1 of this Article.

Annexation shall be accomplished by filing of record in the public records of Williamson County, Tennessee, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by the President and the Secretary of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the By-Laws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section 2 and to ascertain the presence of a quorum at such meeting.

Section 3. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate, improved or unimproved, located within the properties described in Exhibit "A" which upon conveyance or dedication to the Association shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of all its Members.

Section 4. Amendment. This Article shall not be amended without the prior written consent of Declarant, so long as the Declarant owns any property described in Exhibit "A" hereof.

Article IX Rights and Obligations of the Association

Section 1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including, without limitation, furnishings and equipment related thereto and common landscaped areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions hereof and consistent with the Community-Wide Standard.

Section 2. Personal Property and Real Property for Common Use. The Association, through action of its Board of Directors, may acquire, hold, and dispose of tangible and intangible personal property and real property. The Board, acting on behalf of the Association, shall accept any real or personal property, leasehold, or other property interests within the Properties conveyed to it by the Declarant.

Section 3. Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable rules and regulations governing the use of the Properties, which rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines and suspension of the right to vote and the right to use the recreational facilities. The Board shall, in addition, have the power to seek relief in any court for violations or to abate

nuisances. Imposition of sanctions shall be as provided by the By-Laws of the Association.

The Association, acting through the Board by contract or other agreement, shall have the right to enforce county ordinances or permit Williamson County, Tennessee, to enforce ordinances on the Properties for the benefit of the Association and its Members.

Section 4. Implied Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

Article X Assessments

Section 1. Creation of Assessments. There are hereby created assessments for Association expenses as may from time to time specifically be authorized by the Board of Directors to be commenced at the time and in the manner set forth in Section 7 of this Article. There shall be two (2) types of assessments: (a) Base Assessments to fund Common Expenses for the benefit of all Members of the Association; and (b) Special Assessments as described in Section 4 below.

Base Assessments shall be levied equally on all Units. Special Assessments shall be levied as provided in Section 3 below. Each Owner, by acceptance of his or her deed or recorded contract of sale, is deemed to covenant and agree to pay these assessments.

All assessments, together with interest at a rate not to exceed ten (10%) percent or the highest rate allowed by Tennessee law as computed from the date the delinquency first occurs, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose, but his or her grantee shall not be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance unless the obligation is expressly assumed by them. No first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to acquisition of title.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer of the Association

setting forth whether such assessment has been paid as to any particular Unit. Such certificate shall be conclusive evidence of payment to the Association of such assessment therein stated to have been paid. The Association may require the advance payment of a processing fee not to exceed Fifty (\$50.00) Dollars for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual Base Assessment for delinquents, including Owners delinquent in the payment of fines imposed in accordance with Article III, Section 22, of the By-Laws. Unless the Board otherwise provides, the Base Assessment shall be paid in monthly installments.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including, by way of illustration and not limitation, by non-use of Common Areas or abandonment of the Unit. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

So long as the Declarant has an option unilaterally to subject additional property to this Declaration, the following shall apply: unless assessments have commenced, pursuant to Section 7 below, on all Units subject to this Declaration as of the first day of any fiscal year, the Declarant shall be obligated for the difference between the amount of assessments levied on all Units subject to assessment and the amount of actual expenditures required to operate the Association during the fiscal year. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination of services and materials with Declarant or other entities for the payment of some portion of the Common Expenses.

Section 2. Computation of Base Assessment. It shall be the duty of the Board, at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses of the Association during the coming year. The budget may include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared. The Base Assessment to be levied for the coming year against each Unit subject to assessment under Section 7 below shall be

computed by dividing the budgeted Common Expenses by the total number of Units subject to assessment as of sixty (60) days before the end of the current fiscal year. The Board shall cause a copy of the Common Expense budget and notice of the amount of Base Assessment to be levied against each Unit for the following year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved at a meeting of the members by the vote of Members representing at least a majority of the total Class "A" vote in the Association, and by the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in Article II, Section 4, of the By-Laws.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

Section 3. Special Assessments. In addition to the assessments authorized in Section 1 of this Article, the Association may levy a Special Assessment or Special Assessments from time to time; provided, such assessment shall have the affirmative vote or written consent of Members representing at least fifty-one (51%) percent of the total vote in the Association and the written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

The Board may also levy a Special Assessment against any Member, without the necessity of a vote of the Members, to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the By-Laws, and the Association rules, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing.

Section 4. Lien for Assessments. Upon recording of a notice of lien on any Unit, there shall exist a perfected lien for unpaid assessments prior and superior to all other liens except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure.

The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Unit is owned by the Association following

foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid common expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 5. Capital Budget and Contribution. The Board of Directors may annually prepare a capital budget to take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board may set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by annual assessments over the period of the budget. The capital contribution required, if any, shall be fixed by the Board and included within and distributed with the budget and assessment, as provided in Section 2 of this Article.

Section 6. Date of Commencement of Annual Assessments. The assessments provided for herein shall commence on each Unit as it is sold/closed to persons other than builder or developer. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first annual assessments shall be adjudged according to the number of days remaining in the fiscal year at the time assessments commence on the Unit.

Section 7. Subordination of the Lien to First Mortgages. The lien of assessments, including interest, late charges (subject to the limitations of Tennessee law), and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Unit. The sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Unit obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

Section 8. Capitalization of Association. Upon acquisition of record title to a Unit by the first purchaser thereof other than the Declarant or an owner who purchases solely for the purpose of constructing a dwelling thereon for resale, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in the amount of

two hundred (\$200.00) dollars. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use to cover operating expenses and other expenses incurred by the Association pursuant to the terms of this Declaration and the By-Laws.

Section 9. Exempt Property. Notwithstanding anything to the contrary herein, all Common Area shall be exempt from payment of Base Assessments and Special Assessments.

No construction, which term shall include within its definition staking, clearing, excavation, grading, and other site work, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements thereof have been fully met, and until the approval of the appropriate committee has been obtained.

The Declarant at the time of sale and/or the plat is recorded for each phase/section of Concord Crossing has the right to establish additional restrictions and/or design-standards as they relate to the size (minimum square footage) of a home and the exterior materials (percentage of masonry and/or siding) to be used on homes in that particular phase/section of Concord Crossing.

Section 1. Size of Residences. The sizes of the residence including minimal living area shall be at least twenty-five (2500 sq. ft.) hundred square feet of heated area.

Section 2. Construction Material. The houses will be bricked on all four sides; combination of brick and stone; all stone; or E.I.F.S. stucco system. Garage entrances will be on the side or rear.

Section 3. New Construction Committee. The New Construction Committee ("NCC") shall have exclusive jurisdiction over all original construction on any portion of the Properties. The NCC shall prepare and, on behalf of the Board of Directors, shall promulgate design and development guidelines and application and review procedures.

Copies shall be available from the New Construction Committee for review. The guidelines and procedures shall be those of the Association, and the NCC shall have sole and full authority to prepare and to amend the guidelines and procedures. It shall make the guidelines and procedures available to Owners, builders, and developers who seek to engage in development of or construction upon all or any portion of the Properties and such Owners, builders and developers shall conduct their operations strictly in accordance therewith. Until one hundred (100%) percent of the Properties have been developed and conveyed to purchasers in the normal course of development and sale, the Declarant retains the right to appoint all members of the NCC, which shall consist of at least three (3), but no more than five (5), persons. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration of such right, the Board of Directors shall appoint the members of the NCC in the same manner as provided in Section 2 of this Article for the Architectural Review Committee ("ARC").

Section 4. Architectural Review Committee. The Board of Directors may appoint an Architectural Review Committee ("ARC") to consist of at least three (3) and no more than five (5) members, all of whom shall be appointed by the Board of Directors. The ARC, if established, shall have exclusive jurisdiction over modifications, additions, or alterations made on or to existing Units or structures containing Units and the open space, if any, appurtenant thereto.

The Architectural Review Committee shall promulgate detailed standards and procedures governing its areas of responsibility and practice, consistent with the guidelines and procedures of the NCC. In addition thereto, the following shall apply. Plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations, shall be submitted to the ARC for approval as to quality of workmanship and design and as to harmony of external design with existing structures, location in relation to surrounding structures, topography, and finish grade elevation. No permission or approval shall be required to repaint in accordance with an originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing contained herein shall be construed to limit the right of an Owner to remodel the interior of his Unit, or to paint the interior of his Unit any color desired. In the event that the ARC fails to approve or to disapprove such plans or to request additional information reasonably required within forty-five days after submission, the plans shall be deemed approved.

Section 5.. No Waiver of Future Approvals. The approval of either the NCC or ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters whatever subsequently or additionally submitted for approval or consent.

Section 6. Variance. The NCC may authorize variances from compliance with any of the provisions of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the Committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

Section 7. Enforcement In General.

(a) Enforcement of the architectural standards as specified in Article XI, Sections 2 may be by any proceedings at law or in equity against:

1. Any person or persons violating or attempting or threatening to violate a covenant or restriction, either to restrain a violation or to recover damages. Therefore, failure by the Declarant, community association or owner to enforce any restriction herein contained shall in no event be deemed a waiver of the rights to do so thereafter nor constitute an acquiescence in or an estoppel against enforcing any, actual or future, breaches or violations of these covenants and restrictions.

(b) In the event any cost or expenses including attorneys fees, are incurred by the Declarant, community association or any lot owner or occupant of a lot in connection with their action to correct or abate any violation or breach of the provisions hereof, provided reasonable notice to the owner or owners of the subject lot or lots to abate said violation or breach has been given, such cost and expenses shall be a lien against the owner or owners of the lot or lots committing such a breach of violation and such charges shall be subject to the provisions for lien rights and collection as specified in No. 7 below. No such cost or expenses shall be a lien when the nonexistence of a violation or breach hereof has been established by a court of competent jurisdiction. The court shall determine the method of handling a violation.

So long as the Class "B" membership exists, any amendment to this Declaration shall also require the written consent of the U. S. Veterans Administration ("VA") if the VA has guaranteed the Mortgage on any Unit. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment to be effective must be recorded in the public records of Williamson County, Tennessee.

If an Owner consents to any amendment to this Declaration or the By-Laws, it will be conclusively presumed that such Owner has the authority so to consent and no

Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Properties, except as may be approved by the Association's Board of Directors or as provided by Declarant. Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, the Board of Directors shall have the right to grant such easement on said Properties without conflicting with the terms hereof. The easements provided for in this Article shall in no way adversely affect any other recorded easement on the Properties.

The Board shall have, by a two-thirds (2/3) vote, the power to dedicate portions of the Common Area to Williamson County, Tennessee, or any other local, state, or federal governmental entity, subject to such approval requirements as may be contained in Article XIV, Section 2 of this Declaration.

Section 6. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 7. Right of Entry. The Association shall have the right, but not the obligation, to enter into any Unit for emergency, security, and safety, which right may be exercised by the Association's Board of Directors, officers, agents, employees, managers, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter a Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition upon request by the Board.

Section 8. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years

after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 9. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of seventy-five (75%) percent of the Members. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in Article X hereof, (c) proceedings involving challenges to *ad valorem* taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by the Declarant or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 10. Use of the Words "Concord Crossing". No Person shall use the words "Concord Crossing" or any derivative thereof in any printed or promotional material without the prior written consent of the Declarant. However, Owners may use the term, "Concord Crossing" in printed or promotional matter where such term is used solely to specify that particular property is located within the Concord Crossing community.

Article XIV Mortgagee Provisions

The following provisions are for the benefit of holders of first Mortgages on Units in the Properties. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

Section 1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by an Owner of a Unit of any obligation under the Declaration or By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible holders.

Section 2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first Mortgagees or Members representing at least two-thirds (2/3) of the total Association vote entitled to be cast thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or

transfer all or any portion of the real property comprising the Common Area which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Unit (A decision, including contracts, by the Board or provisions of any declaration subsequently recorded on any portion of the Properties shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration.);

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Units and of the Common Area (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver, or abandonment within the meaning of this provision.);

(d) fail to maintain insurance, as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Area losses for other than the repair, replacement, or reconstruction of such property.

First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

Section 3. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Section 5. Amendment by Board. Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

Section 6. Applicability of Article XIV. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Tennessee law for any of the acts set out in this Article.

Section 7. Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

Article XV Declarant's Rights

Section 1. Any or all of the special rights and obligations of the Declarant may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the public records of Williamson County, Tennessee.

Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and initial sale of Units shall continue, it shall be expressly permissible for Declarant to maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, model units, and sales offices, and the Declarant shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the

Declarant and any clubhouse or community center which may be owned by the Association, as models and sales offices, respectively.

So long as Declarant continues to have rights under this paragraph, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant.

Section 2. Landscaping Buffers. Within the areas designated on the Preliminary Plan as the exterior boundary Landscape Buffers (if any), healthy trees larger than eight (8) inches in diameter at a distance of five (5) feet above the ground level shall not be cut or removed without the prior written consent of the Board of Directors of the Homeowners Association, except to the extent (a) install or maintain utilities; (b) ensure adequate drainage; or (c) allow construction of improvements within approved building sites adjacent to the Landscape Buffer. If trees are removed for any of the above three reasons, then, if feasible and desirable in the sole discretion of the Board of Directors, the tree buffer will be replaced within one hundred and eighty (180) days by the Homeowners Association and the expense thereof shall be a common expense of the Association.

In the event an eight-inch tree or larger is removed without the prior written consent of the Board of Directors, and for reasons other than items (a) through (c) above, then eight two- inch or larger trees or four three-inch or larger trees, measured five feet above ground level, will be put back in the place of the tree removed within ninety days. Such replacement shall be the responsibility and cost of the owner of the Residential Unit on which that portion of the Landscape Buffer is situated or to which it is adjacent.

Trees under eight inches in diameter which are removed shall be replaced within ninety days by the owner of the Residential Unit on which the Landscape Buffer is situated.

The Board of Directors may determine, in its sole discretion, under what conditions and requirements trees may be removed and replaced, and may impose additional reasonable restrictions and requirements as it deems appropriate, in its sole discretion, in connection with the maintenance and preservation of the Landscape Buffers. In the event the owner of a Residential Unit is required, and fails, to replace trees or other vegetation, the Homeowners Association may do so, in which event it shall charge the amounts reasonably expended in this regard to said homeowner, which amount shall be paid as a part of the next monthly assessment, or may be spread over several months in the discretion of the Board of Directors, and, if not timely paid, shall become a lien against said Residential Unit and collected in the same fashion as delinquent assessments. The

Homeowners Association, its Board of Directors, and their designees and agents, are hereby granted the right of access across Residential Units and Landscape Buffers to the extent necessary to comply with and enforce the provisions of this section.

Section 3. The provisions regarding square footage of residences set forth in Article XI, Sections 1 and 2, shall not be amended.

Section 4. These Restrictions shall apply to that property described in Exhibit A, attached hereto and incorporated herein by reference.

Section 5. Declarant shall choose the specific housing product to be constructed within the development.

Section 6. The Declarant will install decorative street lights, poles and stop sign and street marker post and frames. It will be the responsibility of the homeowners association to maintain and replace the street lights, poles and stop sign and street marker post and frames.

This article may not be amended without the express written consent of the Declarant. The rights contained in this article shall terminate only upon the recording by Declarant of a written statement that all sales activity has ceased and that Declarant releases such rights by express reference thereto.

ARTICLE XVI

Common Open Space - Zoning Ordinance Section

Any common open space established by an adopted final master development plan for Conservation Resource development shall be subject to the following:

- (a) Concord Crossing Homeowners Association, Inc. has been created for the ownership and maintenance of any common open space, and the organization shall not be dissolved nor shall it dispose of any common open space, by sale or otherwise, without first offering to dedicate the same to Williamson County and the said dedication be approved by the Williamson County Planning Commission. However, the conditions of any transfer shall conform to the adopted final master development plan.
- (b) In the event that the Concord Crossing Homeowners Association, Inc. shall at any time after the establishment of the conservation resource development fail to maintain the common open space in reasonable order and condition in accordance with the adopted master development plan, the zoning administrator shall call upon any public or private agency to maintain the common open space for a period of one year. When the zoning administrator determines that the

organization is not prepared for the maintenance for the common open space, such agency shall continue maintenance for yearly periods.

- (c) The cost of such maintenance by such agency shall be assessed proportionally against the properties within the conservation resource development that have a right of enjoyment of the common open space, and shall become a lien on said properties.
- (d) "Notwithstanding anything in this Declaration of this Article XVI to the contrary, the terms, covenants and conditions of the Open Space Lease shall supersede the terms, covenants and conditions of this Declaration and this Article XVI in particular and to the extent of any conflict between the terms of this Declaration and the Open Space Lease, the terms of the Open Space Lease shall control."

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration this 23rd day of May, 2000.
